iHome iDL100 | Triple Charging Stereo FM Clock Radio Two Lightning Docks and USB Charge/Play for iPad/iPhone and iPod.

TeleAdapt Part No:

TA-9110L-GM (International, Black)

Features

- Wake or sleep to iPad, iPhone, iPod, custom playlist, iHome Sleep app or FM radio
Start or end your day just the way you want it to sound
- Dual docks and a USB port to charge iPad mini, iPad (4th generation), iPhone 5 or iPod plus another device at the same time.
- Enjoy your music while keeping up to three devices (iPad, iPhone or iPod) fully charged
- Dual Alarm with Weekday/Weekend alarm settings
2 independent alarms let you wake to any combination of iPad, iPhone, iPod, FM radio, iHome Sleep app or buzzer with 7-5-2 alarm settings for full week, work week or weekend with separate wake times/alarm sources to suit your lifestyle.
- Auto Syncs clock time to always-current iPhone time settings in seconds
- FM radio with 6 station preset memory
- Reson8® speaker chambers are Specially designed sealed speaker enclosures which deliver astounding clarity, depth and power.
- Bass, treble, balance and 3D sound controls let you customize your sound.
- Programmable snooze time lets you sleep in a little or a lot with snooze time between 1 and 29 minutes.
- Gently increased/decreased alarm/sleep volume eases waking and sleep.

Additional Features

- 100V-240V universal voltage AC Adaptor
- USB Charging Port
- Aux-in jack

Package Contents:

- iDL100E System
- 2 Inserts for universal well

Hotel Mode Features

- Clock adjust and 12h/24h buttons are disabled
- Radio presets can be accessed, but not programmed
- When set in HOTEL modes, the alarm becomes SINGLE D/ guests will not awaken to previous guest's alarm setting. The 7/5/2 alarm choices and "wake to playlist" functions are disabled in Hotel mode, making the alarm extremely easy for guests to use
- Hotel low lowers the output of the unit and Hotel high maintains regular output
