SPECIFICATIONS

iHome iBN20 | NFC Bluetooth Wireless FM Clock Radio with USB Charging

The iBN20 is a Bluetooth-enabled wireless alarm clock radio. Built-in NFC (near field communications) technology allows for instant Bluetooth connections to stream wireless digital audio via Bluetooth from your iPhone, iPad, Android, Blackberry and other Bluetooth-enabled devices. Reson8® speaker enclosure plus EXB circuitry for full, rich sound. USB port to charge devices. Aux line-in jack for playing almost any audio device.

Features

- Wake and sleep to Bluetooth audio, FM radio or 4 alarm tones
Start and end your day just the way you want it to sound
- Works with Bluetooth wireless audio
Send digital audio wirelessly to iBN20 from your iPad, iPhone, and iPod touch, Android, Blackberry or other Bluetooth-enabled audio device
- NFC (near field communication) technology for instant Bluetooth set up
Instantly connects your NFC-capable device to Bluetooth for wireless audio streaming
- Reson8® speaker chamber
Specially designed sealed speaker enclosure delivers astounding clarity, depth and power
- USB port for charging iOS devices and other portable devices
Enjoy your music while keeping your device fully charged
- FM radio with 6 station presets
Program up to 6 favorite FM stations
- Programmable snooze time
Lets you sleep in a little or a lot with snooze time between 1 and 29 minutes
- Gradual Wake and Gradual Sleep
Gently increased/decreased alarm/sleep volume eases waking and sleep
- Sure alarm battery backup (CR2450 battery included)
Ensures alarm operation in the event of a power failure

Additional Features

- 100V-240V universal voltage AC adaptor
- Aux-in jack
- Nap timer
