iHome iBT97 | Bluetooth Stereo FM Clock Radio with USB Charging

The iBT97 is a fully featured bedside alarm clock with twin speakers for room-filling sound. Control your music or take calls with wireless speakerphone over Bluetooth, or listen to FM radio or line-in audio. A 2.1 amp USB port and 2 device rest inserts keeps all your mobile devices charged and ready to go.

Features

- Wake or sleep to Bluetooth audio, FM radio, built-in tones, or buzzer
Start or end your day just the way you want it to sound
- Works with Bluetooth wireless audio
Send digital audio wirelessly to iBT22 from your iPad, iPhone, and iPod touch, Android, Blackberry or other Bluetooth-enabled audio device
- Inserts for resting devices in portrait or landscape modes
Enjoy your music or videos in any position while keeping your iPhone, iPod, or other device fully charged via USB port
- USB port for charging iOS devices and other portable devices
Enjoy your music while keeping your device fully charged
- Speakerphone features
Integrated microphone, ATI SoundClear voice echo cancelling and answer/end call controls
- Reson8® speaker chamber
Specially designed sealed speaker enclosure delivers astounding clarity, depth and power
- Programmable snooze time
Lets you sleep in a little or a lot with snooze time between 1 and 29 minutes
- Gradual Wake and Gradual Sleep
Gently increased/decreased alarm/sleep volume eases waking and sleep
- Sure alarm battery backup (CR2450 battery included)
Ensures alarm operation in the event of a power failure

Additional Features

- 100V-240V universal voltage AC adapter
- Aux-in jack
- Nap timer
- 8 level display dimmer control
- 6 FM preset station memories
